

WALLFIX CRACKFILLER

SAFETY DATA SHEET

According to GHS

Section 1. Identification

GHS product identifier	WallFix CrackFiller
Other means of identification	CFA-011
Product type	Powder
Relevant identified uses of the substance or mixture and uses advised against	
Product Use	A fine general purpose filler to fill in gaps or over surface imperfections.
Supplier's details	Prostar Export Paint PTY (Ltd) 268 Inanda Road, Springfield Park Durban Tel: +27 31 574 5376
Emergency Telephone number	National Poison Centre: 0861 555 777

Section 2. Hazard identification

Classification of the Substance or Mixture	Non Hazardous
Label elements according to	UN GHS
Hazard pictograms	N/A
Signal word	N/A
Hazard statements	Non-combustible glass beads. Spilt material is extremely slippery.
<u>Precautionary statements:</u>	
General	N/A
Prevention	N/A
Response	N/A
Storage	N/A
Disposal	N/A
Other Hazards which do not result in Classification	None Identified

Section 3. Composition/information on ingredients

Substance / mixture	Mixture
Other means of identification	CFA-011
<u>CAS number/other identifiers</u>	
CAS Number	N/A

There are no additional ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment and hence require reporting in this section. Occupational exposure limits, if available, are listed in Section 8

Section 4. First aid measures

Description of necessary first aid measures

Eye contact	Use water to flush eyes 15 min if contact
Inhalation	Not known
Skin contact	Use water to flush skin if contact. Take off the contaminated clothing and Shoes. Get medical treatment if irritation occurs wash clothing before reuse. Thoroughly clean shoes before reuse.
Ingestion	Not known

Section 5. Fire-fighting measures

Extinguishing media

Suitable extinguishing media

Compatible with all extinguishing media.

Special protective actions for fire-fighters

Non-combustible glass beads. Spilt material is extremely slippery.

Special protective equipment for fire-fighters

Rubber boots with slip-resistant soles are suggested to be used if this material is present in a fire.

Section 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

For non-emergency personnel

Rubber boots with slip-resistant soles and NIOSH dust respirator IF dust occurs.

For emergency responders

Rubber boots with slip-resistant soles and NIOSH dust respirator IF dust occurs.

Environmental precautions

Sinks in water. No known hazard to aquatic life.

Methods and materials for containment and cleaning up

Small spill

Shovel or sweep up spilled material carefully and place in suitable container. Container should be closed. Use appropriate personal Protective equipment (PPE).

Large spill

Keep unnecessary people away; isolate hazard area and deny entry. Do not walk through spilled material. Carefully shovel or sweep up spilled material and place in suitable container. Avoid generating dust. Use appropriate personal protective equipment (ppe).

Section 7. Handling and storage

Precautions for safehandling

Keep in waterproof packaging and protect from damage

Conditions for safe storage,including any incompatibilities

Clean fibre or plastic container.

Section 8. Exposure controls/personal protection

Occupational exposure limits

N/A

Appropriate engineering controls

Use with adequate ventilation. Containers should be closed. Eyewash station should be within direct access.

Eye/face protection

Safety glasses should be worn

Other skin protection

Body-covering clothing should be worn

Respiratory protection

Use an approved dust respirator if dust occurs

Section 9. Physical and chemical properties

Appearance

Physical state

Powder

Color

CFA-011

Odor threshold

No data available

Melting point

> 730 °C

Boiling point

Not Applicable

Flammability (solid, gas, liquid)

Not flammable

Lower and upper explosive(flammable) limits

No data available

WALLFIX CRACKFILLER

SAFETY DATA SHEET

According to GHS

Flash point	Non-combustible
Auto-ignition temperature	No data available
Decomposition temperature	No data available
pH	Expected to be neutral in water.
Solubility	Insoluble in water
Partition coefficient: n-octanol/water	No data available
Evaporation rate	No data available
Vapour pressure	No data available
Relative density	$\pm 2.5 \text{ g/cm}^3$
Vapour density	No data available
Particle characteristics	No data available

Section 10. Stability and reactivity

Chemical stability	Stable under normal conditions.
Possibility of hazardous reactions	Under normal conditions of storage and use, hazardous reactions will not occur.
Conditions to avoid	None
Incompatible materials	HF Acid
Hazardous decomposition products	None

Section 11. Toxicological information

Acute Toxicity	When tested for primary irritation potential, a similar material was Practically non-irritating to the eyes and slightly irritating to the skin. The acute oral toxicity of this product has not been tested. A similar Material was nontoxic to rats at 5,000 mg/kg. All animals survived, gained Weight and appeared there were no Signs of gross toxicity, adverse Pharmacologic effects or Abnormal behavior
----------------	--

Section 12. Ecological information

<u>Toxicity</u>	No reports records Ecotoxicity of nonfibrous glass.
Environmental fate	This material is persistent but inert in aquatic systems. It will not bioconcentrate up the food chain.
Physical/chemical	Sinks in water. Insoluble in water.

Section 13. Disposal considerations

Disposal method	This material is not a hazardous waste. Dispose according to regulations.
-----------------	--

Section 14. Transport information

No special precautions necessary. It is recommended to keep bags closed and dry bulk loads covered to prevent dust generation.

Section 15. Regulatory information

Safety, health and environmental regulationsspecific for the product	Relevant information regarding authorization: Occupational Health and Safety Act 1993 Regulation for Hazardous Chemical Substances. Relevant information regarding restrictions: None Known.
